GEORGE HARMON

George,
It's been
fun. Hasn't it?
Even though I'm no
longer around
I hope you'll
think of me
from time
to time.
Love,
Betty

Student Body President's Message

The school year started with a much more active Senate supporting previous decisions and making new proposals. The Senate approved a "United Fund" drive, in which the three classes conducted a contest to raise money—the losing class to present an assembly. The sum of money earned by the three classes was divided among various organizations, such as the American Field Service, March of Dimes, etc.

The Senate is composed of the Student Body President, Vice-President, Secretary, Treasurer, four boy and girl senators from each class, the class presidents, Boys' Federation President, Council of Girls President, leaders of various school organizations, and the Yell King. The Board of Control assisted with student government. Meetings were held on the first and third Wednesdays of each month, at which members discussed and took action on school problems.

Student Body assemblies were well organized and entertaining. A very active Pep Club stimulated enthusiasm during assemblies and sporting events with pep banners, posters, and booster buttons. This year the Pep Club did a fine job of organizing a "card section."

The President appointed a Hall Traffic Committee, which studied hall conditions and suggested possible solutions.

The Council of Girls, Boys' Federation, Girls' Athletic Association, and many other organizations deserve recognition for their efforts to make this school year successful.

As Student Body President, I would like to thank the members of the Board of Control, the Senate, the faculty, and the students for their interest and support in supporting school affairs.

OUR DIRECTORS

Dr. Ben Curran, Principal, Mr. Peter Londahl, Vice Principal

Ben O. Curran was born in Hopkins, Missouri. At an early age he moved to Idaho; however, when he was a senior in high school, the Currans moved to Aberdeen where young Ben enrolled at Weatherwax High School. He lettered in both basketball and baseball here and was graduated in 1919.

During the summer of 1919, Mr. Curran worked in the woods peeling bark from trees to earn money for college. That fall he enrolled at the University of Washington where he studied for one year. After a year's employment, he entered Washington State College where he was graduated in 1924 with a Bachelor of Arts Degree. He received his Master's Degree from Stanford University in 1949 and Phi Beta Kappa membership.

Mr. Curran began his teaching career at Othello, Washington. In 1929 he returned to Aberdeen to teach at Weatherwax.

As the principal of our high school, Mr. Curran holds an important position with many burdensome responsibilities—among them around 1,000 students, twice as many parents, 48 teachers, the school board, and many other citizens of our community.

Mr. Curran feels that students are people, too, and should be treated as such.

Ably assisting the principal is our vice principal, Mr. Londahl. While space limitations require brevity, we recognize that his responsibilities are numerous and heavy. As the Director of Counselling at Weatherwax, Mr. Londahl works with administrators, counsellors, teachers, students, and parents to solve a thousand different problems. We sincerely appreciate his understanding, intelligent leadership.

SENIORS

We, the class of '62, began our high school days as an active and enthusiastic class. We remember the excitement of our sophomore year with our entrance into high school. Our Sophomore Hop was one to be remembered, and we all worked with great enthusiasm on the March of Dimes Drive.

In our junior year we worked with the seniors on the Junior-Senior Ball. We again showed our enthusiasm by working together to reach our desired goals when we participated in, and won, the March of Dimes Drive.

Our senior year was soon upon us. This year we conducted several benefit projects in memory of Joyce Jones.

As a class, we have always strived toward high ideals and worthwhile goals, and we have always been active participants in worthy school activities.

Now, we leave Weatherwax to enter separate worlds of our own.

JUNIORS

Last fall we Juniors were impressed by the fact that we were no longer the youngest class at Weatherwax We were determined to set a good example for the new Sophomores.

To aid us in reaching our goals for this year, we elected as our class officers: President, Russ Kuhns; Vice-President, Jim Welch; and Secretary-Treasurer, Sandy Jelovich.

With much cooperation from the class, our officers were able to work with the Seniors in presenting a successful Junior-Senior Ball early in 1962.

We displayed our energy and talents in many fields by taking an active part in athletics, music, and other organizations.

Now we are looking forward to our Senior year with great enthusiasm.

SOPHOMORES

We Sophomores have found our first year of high school a rewarding experience. This year we have been very busy becoming an active part of our school, its clubs, organizations and student government. For us, this has been a period of adjustment to a new and different life.

As Sophomores, we have been busy with various class projects. Our first major class project was sponsoring and planning for the annual Sophomore Hop, held on October 28. We also played an active part in the annual fund raising drive.

Our first year of high school has been one that few of us will ever forget. Now we are looking forward to our last two years of high school.

The Quill and Scroll, a national honorary society, was formed over thirty years ago at Weatherwax to recognize students who excel in journalistic skills.

Members must have a "B" average and show outstanding work on one of the school publications, either the Ocean Breeze or the Quinault. Members are chosen at the end of their junior year. After an initiation fee, the national society provides the local members with the Quill and Scroll magazine and the national pin.

Officers for 1961-1962 Quill and Scroll were: Jan Everham, president; Shirley Hale, vice-president; and Cheryl Walford, secretary. The Advisor was Mr. Norman Sherlock.

Quinault representatives were Judy Pedersen, Susan Walker, Cheryl Walford, and Karen Swanson.

Members from the Ocean Breeze staff included Leigh Erickson, Gary Pork, Jan Everham, Judy Bates, Judi DiFazio, and Shirley Hale.

Debate Officers and Coach

Debators in Action.

The Weatherwax High Forensics Squad had a very active 1961-62 season. Under the leadership of the new debate coach, Mr. Gordon Warren, the club held inter-squad practices each week and attended two debate clinics. The members also participated in college invitational tournaments at Western Washington State College, Seattle Pacific College, Pacific Lutheran University, Grays Harbor College, and the University of Puget Sound.

Members debated the topic of Federal Aid to Education as a group. They also participated in one or more individual events. Individual events included interpretive reading, oratory, impromptu, and extemporaneous speaking.

The officers of the club were: Larry Hansmeier, President; Doug Osheroff, Vice-President; Carmen Chouinard, Secretary, and Al Close, Treasurer. They kept an individual record of points for each of the twenty members of the club.

The forensics squad had a very enjoyable year. Each person participating gained much useful knowledge through the study and preparation that was necessary for a successful year.

We, the members of the Quinault staff, chose "The World of Our Own" as the theme for this volume of the Quinault. The purpose of this book is to depict Weatherwax as a small world of our own. Here we, the students, have our own government wherein the officers are our representatives and act as our leaders. We have our own duties and responsibilities toward the school and ourselves. At school we have our own representatives to other activities such as our sports program, music department, forensics squad, and others. With the help of our leaders, we are carrying on these responsibilities preparing ourselves to be leaders of the world of tomorrow.

This year, through the combined efforts and cooperation of the staff, our advisor, and many others not on the staff, it was our aim to integrate this theme successfully and to make the Quinault the best yet.

Almost from the first day in Quinault, each student was busy with various duties. Every student sold ads which helped defer some of the cost of the book. Then the imagination was set to work thinking up ideas for the different pages, cover design, color, and theme.

Soon these ideas were drawn on paper in the form of two sets of dummies; then the master layouts were prepared. Photograph orders were then made, pictures taken, and copy written for the various pages. This was only the beginning. Later came the assembling of the book, checking the copy, indexing pictures, and much more. The second semester we worked during our free time to complete the book. This year the staff worked with great enthusiasm, ambition, and imagination to make this book truly a memorable one — one that we can be proud of and in the future look back on to recall the happy memories of our high school days at Weatherwax.

EDITORIAL STAFF: Judy Bates, Jan Everham, Shirley Hale, Gary Polk, Leigh Erickson.

This year's Ocean Breeze has been a vastly improved newspaper due to the fine efforts of an enthusiastic staff and the advisor, Mr. Sherlock. The 1961-62 staff includes Jan Everham, Editor-in-Chief; Judy Bates, Business Manager; Gary Polk, Sports Editor; Leigh Erickson, News Editor; Shirley Hale, Features Editor; Rich Pettijohn, Art Editor; and the many staff members.

The Ocean Breeze was expanded to six pages with one page devoted to humor; various new columns were also added.

The following are excerpts from an Ocean Breeze editorial:

"It is the policy of the Ocean Breeze to publish news and other items of interest to . . . its readers . . .

"The purpose of the Ocean Breeze is to inform, entertain, and influence its readers . . . This paper serves as a moderator in bringing our possible avenues of solution for problems concerning . . . its readers.

"The Ocean Breeze strives to present ample coverage of all school news and administer due recognition to all worthwhile achievements of its readers. It reserves equal and ample space to present all sides of published matters fully."

The 1961-62 Weatherwax High School Choir, under the direction of Mr. H. R. Koehler, was one of the most outstanding high school choirs in the state. The choir appeared before more than 30,000 people using more than 50 sheets of music at the numerous concerts, contests, and church services.

Last year's recording of the highly acclaimed Spring Concert was so successful that a recording was made of a performance by this year's choir.

In the past two years Weatherwax's choir personnel increased by 120%. Leading the 130-member choir were officers: President, Ed Burgess; Vice-President, Doyle Wenzel; Secretary, Bev Ruecker. The Section Leaders were Barbara Wilson, Jeri Jacka, Marilyn Scott, Janet McGregor, Bob Smith, Leigh Erickson, and Al Collins. Rick Boling was the student director, and Vern Lindgren was in charge of the risers.

ORCHESTRA AND

The Weatherwax High School Orchestra, under the direction of Mr. Edlund, is made up of 47 members. Again this year the string section is strong and the organization is maintaining the high musical standards established in preceding years.

After a week and one-half of school the orchestra played a full hour program at the Western Washington Fair at Puyallup. Other scheduled appearances are the Christmas concert and assembly, the Swing Concert, the Southwest Washington Music Meet at Centralia, the Spring Concert, and the Baccalaureate performance.

The officers this year are: President, Charlene Anderson; Vice-President, Bonnie Aho; Secretary-Treasurer, Missy Eaton; senior representative, Susan Jamtaas; junior representative, Jane Bivens; sophomore representative, Sharon Moore.

BAND

The Weatherwax High School band consists of forty-one members under the direction of Mr. Wines.

The band performed its first half-time show eight days after the beginning of school with "A Salute to the United Nations" in which they played the national anthems of several foreign countries.

At the second home football game the name of the show was "Civil War Centennial" a salute to the one hundredth anniversary of the Civil War.

The band accepted an invitation to play at Olympia on November 10 and presented an outstanding performance at Olympia's Homecoming Game with Aberdeen.

GIRLS' STATE

Jeri Jacka, Sherrie Failor, Diane Long, Patty Schmidt

What is it like to live for a week as a guest of Central Washington State College? The four senior girls pictured had this experience last June 12-21, when they participated in Evergreen Girls' State on the campus at Ellensburg.

These girls, Sherrie Failor, Jeri Jacka, Diane Long, and Patty Schmidt, were selected by four Aberdeen service clubs to take part in this function. They were chosen on the basis of scholastic achievement, school activities, and potential leadership. Their goal was to learn more about the duties of our government, how it functions, and its political implications.

Each of the 340 girls attending Girls' State took part in campaigns and elections patterned closely after the actual elections held at each level of the government. They also studied the relationship of the different types of governments to each other.

None of these girls will ever forget what one of the guest speakers there said to them:

I am only one, but I am one.
I can't do everything, but I can do something.
What I can do, I should do,
And what I should do, by the grace of God,
I will do."

Last summer an event was held that eleven Aberdeen boys will never forget — Boys' State. The representatives from Aberdeen were Rick Boling, Jerry Brower, Bill Cady, Al Close, Keith Folkers, Ron Huffman, Adin Marshall, Bob Norris, Ed Smith, Gary Steinman, and Doyle Wenzel. The event was held on the campus of Pacific Lutheran University, in Parkland, Washington.

Boys from all over the state took part in this activity to learn more about the workings of our government. During this one-week period, governments of different types were set up by the boys. They elected officers to carry out government actions just as if thy were actual office-holders.

The boys participated in various activities and programs such as mock caucuses and legislative sessions. When Boys' State was over the boys felt that they had completed a most satisfying experience that will serve as a guiding influence in future years.

The Bobcats enjoyed a successful season by winning seven games and losing only three. The Cats were beaten only once in conference play and captured the Southwest Washington Conference Football Championship. They were beaten twice in non-conference games — by West Bremerton and Lincoln.

Coached by Frank Mach and assistant coaches Al Eklund, Ron Urquhart, and Dewey Van Dinter, these boys rose from a dark horse role to capture the S.W.W. championship. They highlightd the season with a 6-0 win over "sixth-in-state" Hoquiam on Thanksgiving Day.

Eight players were selected for the Southwest Washington All-Conference Squad. Chosen for the first team were halfback Gary Langhans, fullback Russ Kuhns, and tackle Verl Potts. End Gary Hanson and center Eric Penttila made the second team. Guard Ben Radka, halfback Bob Oar, and guard Adin Marshall received honorable mention. Honored at the awards assembly were Ben Radka, who received the Perry Clark Award and Eric Penttila, who received the John Mashin Award. Adin Marshall received the George Savage Award while the Coaches' Award went to Ron Huffman. The Honorary Captains this year were Eric Penttila and Adin Marshall.

This year's Junior Varsity football team had a very successful season. They remained unbeaten for the second year in a row. Aberdeen's Junior Varsity is unbeaten in seventeen games and has lost only two games in four years.

Under the excellent coaching of Ron Urquhart and DuWayne Van Dinter, the team worked very hard and played with a uniform team effort.

This year the J.V.'s defeated Olympia 6 to 0, Hoquiam 14 to 6, and Olympia 21 to 12 in their first three games. They tied Centralia 6 to 6, Hoquaim 12 to 12, and beat Centralia 18 to 12 in their last three games. The overall results were a four win, two tie, no loss record for the season.

In the backfield, able men such as Jim Wilson, George Nelson, Clyde Fortney, Lee Carey, Dick Balderson, Larry Pickering, and Bill Kalin took advantage of scoring opportunities. However the touchdowns would not have become reality without linemen like Mike O'Conner, Jerry Cooper, Bill Lockman, Tom Edison, Tom Salmon, and Paul Heiney paving the way for them. These linemen deserve special credit, for they did a great job this year, both on offense and defense.

All of the J.V.'s played as members of a complete team, and Aberdeen may look forward to a very successful varsity team next year.

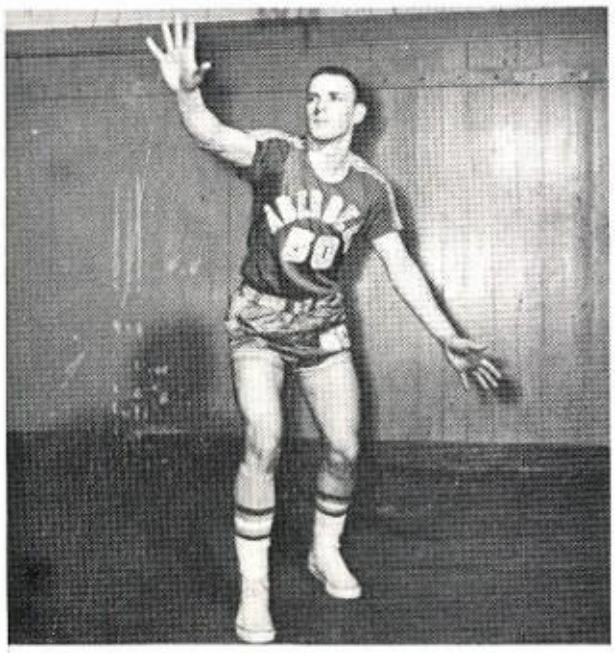
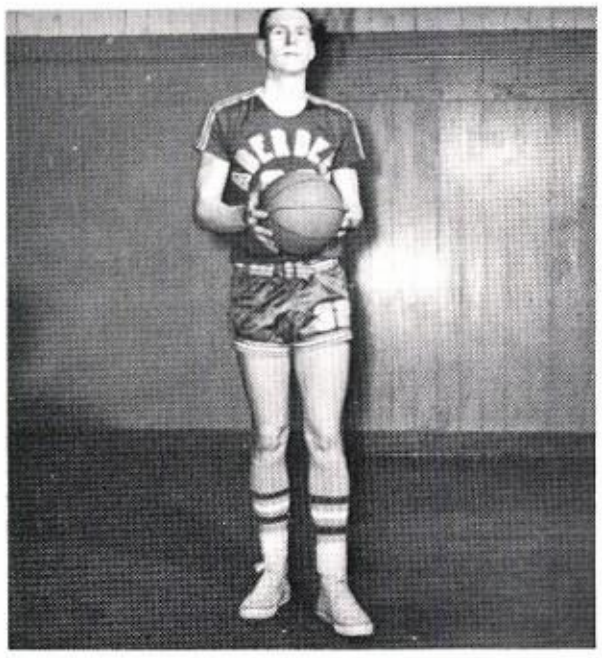
The Aberdeen junior varsity was under the leadership of Mr. Urquhart this year. We feel that Coach Urquhart did a tremendous job with the junior varsity. The boys had more than average hustle throughout the entire season and finished with a season record of nine wins and eleven losses. This year's team included several outstanding prospects as future players.

Although the junior varsity is comprised mostly of sophomores, they gained valuable experience for the future. Watching these boys in action, we saw their desire to play and win. It isn't the win-loss record that is important, but the desire to play and learn that these boys exhibited. We are looking forward to seeing you again next year, fellows.

A-SQUAD BASKETBALL



Bob Oar 5' 11" Junior Guard



Jim Jacobson 6' 2" Senior Forward

Terry Campbell 6' 2" Senior Center

From the first game with Elma in December to the last game with Hoquiam in March, the A-Squad basketball team, under the poised leadership of Jim Savitz, made their hustle and talent known throughout the SWW league.

The Bobcats were at a height disadvantage the entire season in that every foe they met had taller men. This was a challenge our boys met successfully with team spirit and hustle.

Although the fighting Cats ended up third in the Northern Division of the SWW league, they had the distinction of soundly trouncing the No. 1 and No. 2 teams—Hoquiam and Olympia.

The most consistent point makers for the Aberdeen Bobcats were guards Ed Smith and Johnny Mitchell. In addition they spelled nothing but frustration to their opponents with their clever ball handling and ball stealing antics. Center Terry Campbell gave an excellent account of himself on the boards and against taller opposition. With his "war whooping" hustle he pulled down many rebounds for the blue and gold. If a team is to score, they must have the ball. This is where forwards Jim Jacobson and Alan Aho shone. They did a great job rebounding for the Cats and contributed a great deal for the team with their scoring talent. Bob Oar, number one replacement, was a valuable asset to the team with his spark and speed. Alan and Bob will form the nucleus from which next year's team will be built.

Jim Savitz, in his first year at AHS, has earned the respect of his team and fans and directed a team that Aberdeen may be proud of.

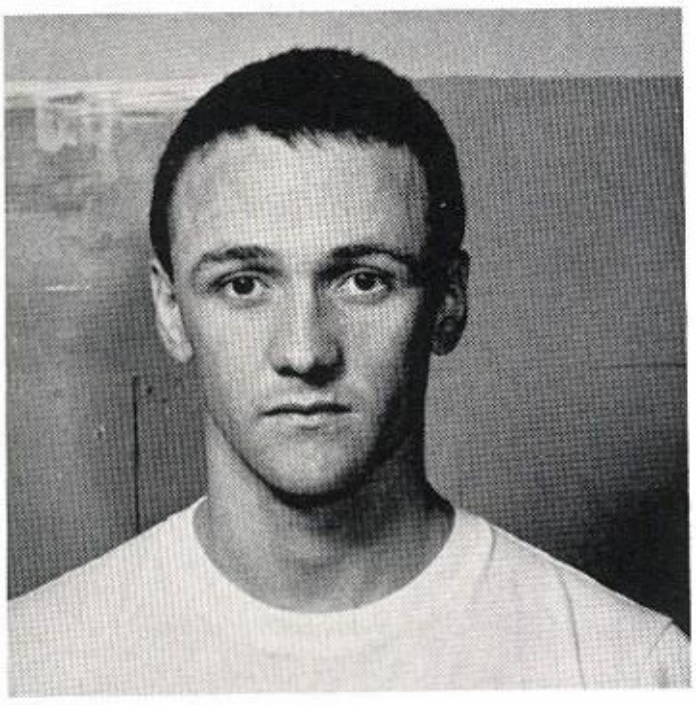
Coach Lawr



This year the Bobcat swimmers had a successful season winning eight and losing eight. Composed almost entirely of underclassmen, the team improved with each meet, and new material was found for almost every race.

Coach Leonard Lawr in his third year of coaching for Weatherwax did an excellent job with the team this year after losing most of his swimmers last year.

Ten Aberdeen swimmers qualified for the State Meet at Seattle this year. They are Adin Marshall, Jim Griffith, Kirk Jones, Lynn Daneker, Les Funk, Dave White, Dave Thorson, Ralph Schafer, Bob Kivi, and Steve Walker. Marshall qualified in the 100-yard and 50-yard free styles. Griffith qualified in the 50-yard free style and the 200-yard free style relay. Jones qualified in the 100-yard breaststroke and the 200-yard free style relay. Daneker and Funk both qualified for diving. Schafer, Walker, Kivi, and White qualified for the 200-yard medley relay, and Griffith, Jones, Thorson, and White qualified for the 200-yard free style relay.

This year's team was composed of only three seniors, while there were eight juniors, ten sophomores, and three freshmen.

With this many returning swimmers, Weatherwax may look forward to an excellent swim team in 1963.

ROW 1: Furth, Schjei, Burton, Edison, Lupo.
ROW 2: Wilson, Barry, Rice, Radka, Brower, Gudaz, Porter, Folkers, Smith.

Entering the Northern Division of the South West Washington Conference, the Bobcat baseball team put forth a tremendous effort toward victory this year. With the guiding assistance of Coach Mach and Managers Al Close and Louis La Dow, they were confident of a good season, weather permitting.

On March 15, ten lettermen reported to Pioneer Park for the first practice of the year. They were: Steve Barry, Tom Edison, Jerry Brower, Keith Folkers, Jim Furth, John Gudaz, B. J. Porter, Ben Radka, Steve Smith, and Walt Wilson, along with several other players. After practicing diligently for many days, they played Hoquiam, Centralia, and Olympia twice each for a rating in the Conference. The team also held several practice games with Montesano, Elma, and other teams in the vicinity.

These boys work hard each year to build a good name for our school among baseball fans, so let's continue to give them real support next season.

RIFLE TEAM

Turn-out for this year's rifle team was the largest in eight years. The increase, which brought the team membership to 57, was responsible for the purchase of two Model 52 Winchester match rifles.

The team was successful in the National Rifle Association Postal Matches in which their scores were sent to Washington, D. C. and rated against other schools all over the U. S.

The team, coached by Mr. Billy Sullivent, had excellent results when they took part in the sectional matches in Seattle. Mr. Sullivent also accompanied the five best shooters to the state outdoor championships in Wenatchee in May.

The officers elected to head this year's team were: President, Ron Johansen, and Secretary-Treasurer, Steve Eggleston.

The letter winners who returned as members of the team this year were seniors, Ron Johansen, Paravena Jackson, Steve Eggleston, and Sara McLean; juniors, Melanie Hancock, and Don Abbott.

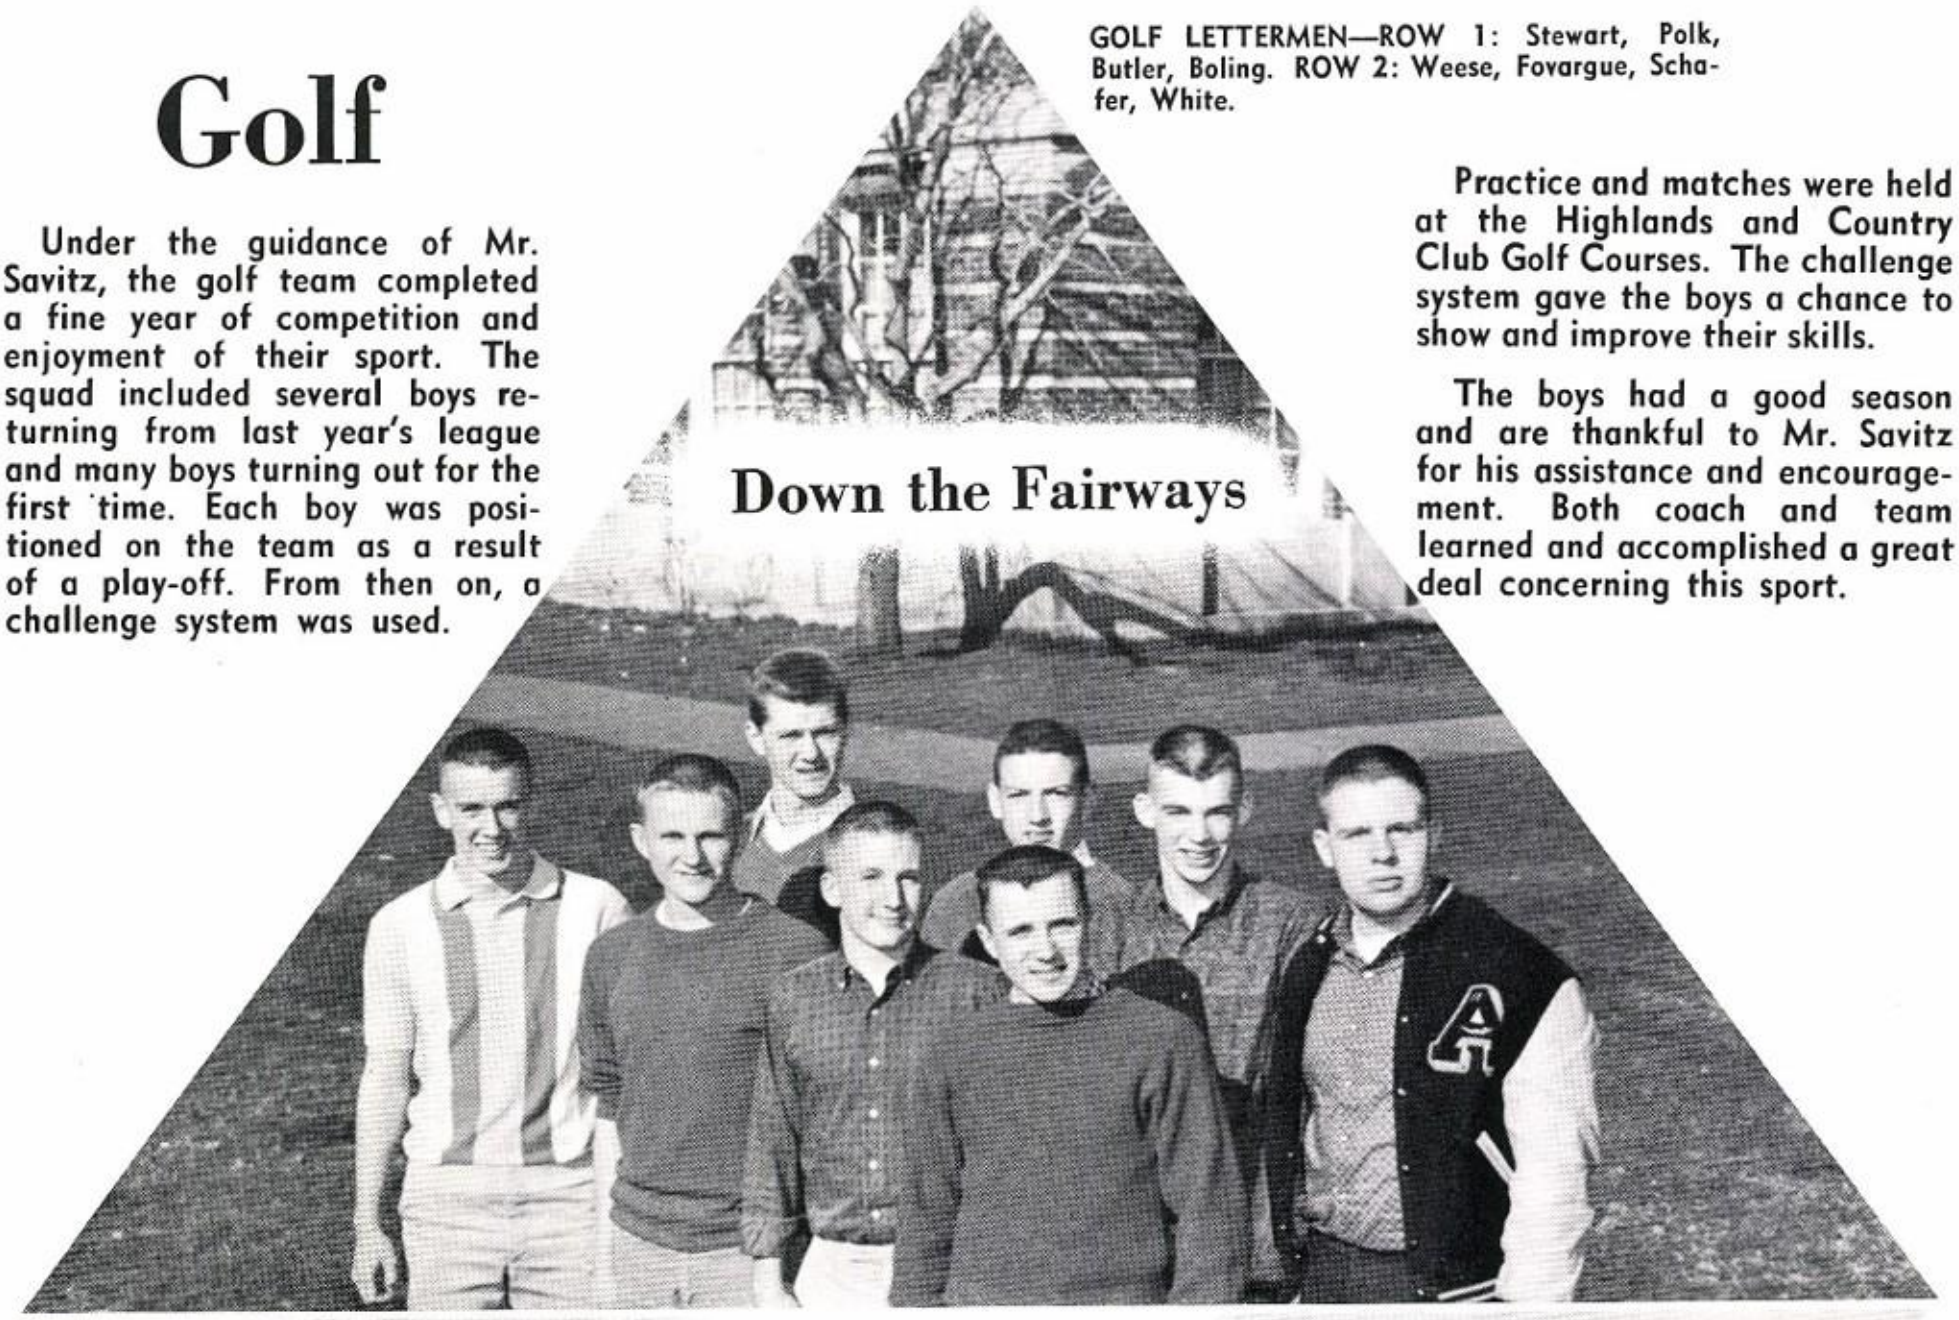
The purpose of the rifle team is to teach and develop good habits in handling firearms. Its activities began on September 15 and lasted until May 15.

RIFLE TEAM—ROW 1: Williams, McLean, Hale, Jackson, Hazelblade, Mr. Sullivent. ROW 2: Whitlock, Mott, Rowland, Hamilton, Ellingwood, Sears. ROW 3: Zink, McKean, Edwards, Wilson, Dahlstrom, Folden. ROW 4: Kainber, Cole, Loring, Eggleston, Sipila.

GIRL'S ATHLETIC ASSOCIATION

Golf

Under the guidance of Mr. Savitz, the golf team completed a fine year of competition and enjoyment of their sport. The squad included several boys returning from last year's league and many boys turning out for the first time. Each boy was positioned on the team as a result of a play-off. From then on, a challenge system was used.



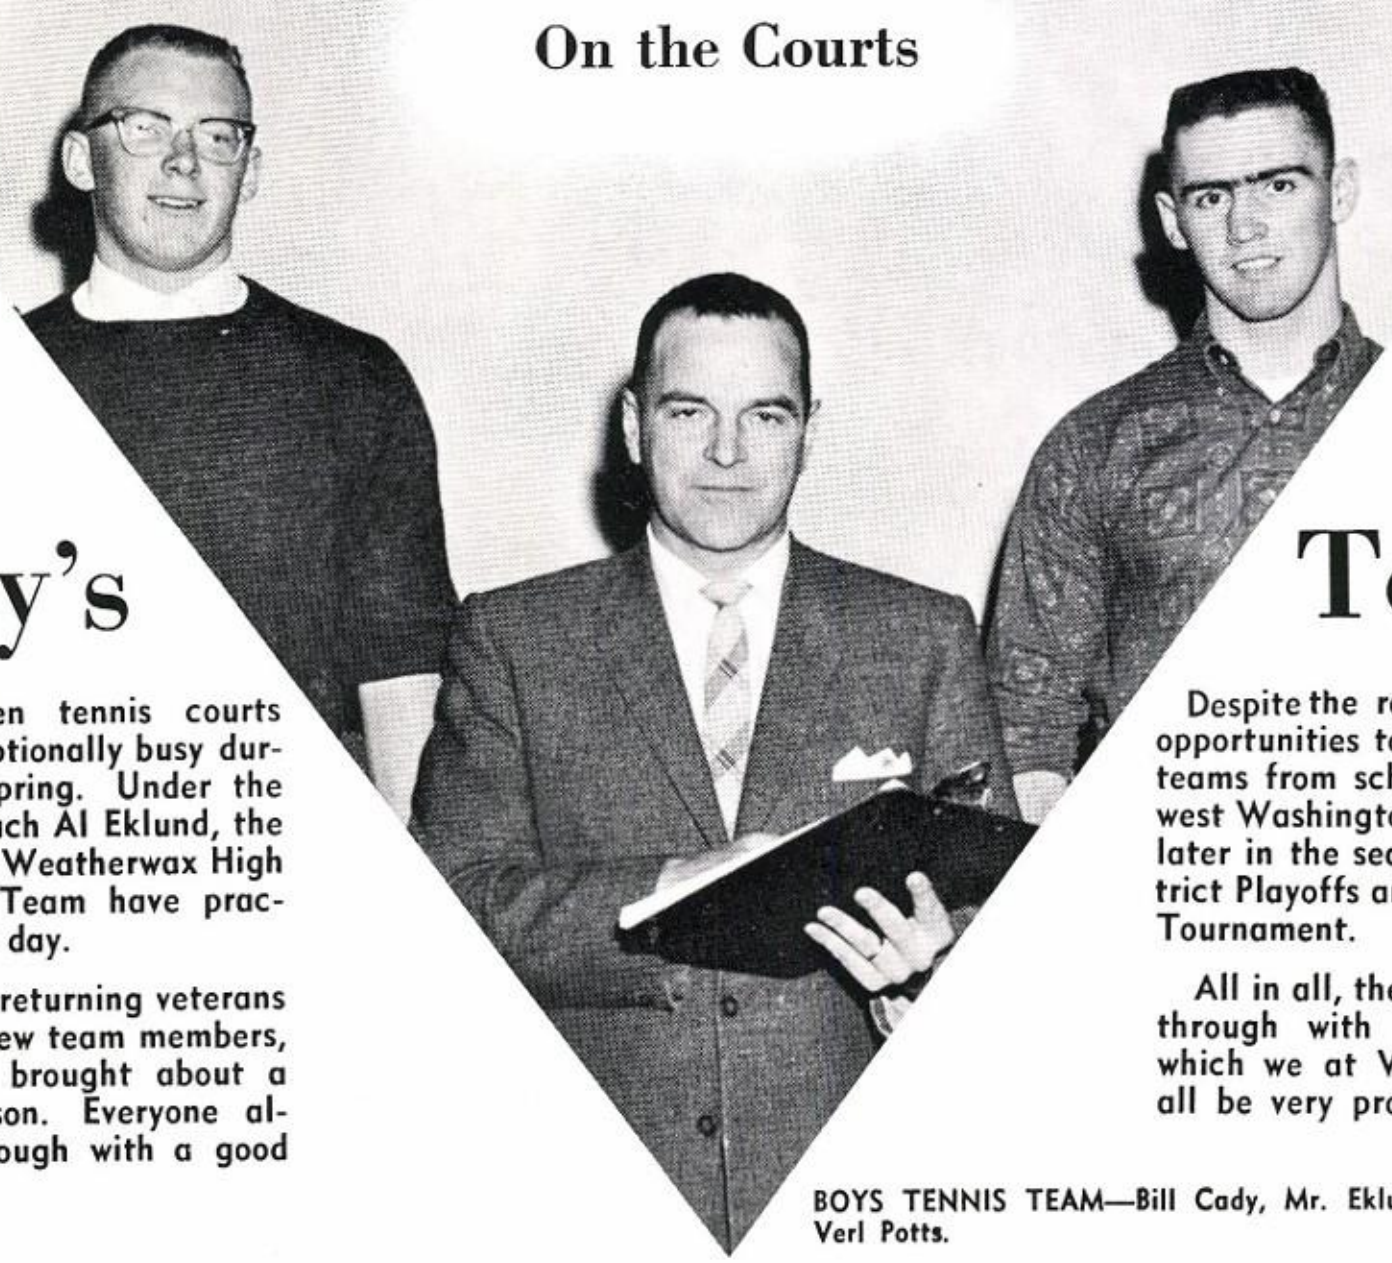
Down the Fairways

GOLF LETTERMEN—ROW 1: Stewart, Polk, Butler, Boling. ROW 2: Weese, Fovargue, Schafer, White.

Practice and matches were held at the Highlands and Country Club Golf Courses. The challenge system gave the boys a chance to show and improve their skills.

The boys had a good season and are thankful to Mr. Savitz for his assistance and encouragement. Both coach and team learned and accomplished a great deal concerning this sport.

On the Courts



Boy's Tennis

The Aberdeen tennis courts have been exceptionally busy during this past spring. Under the direction of Coach Al Eklund, the members of the Weatherwax High School Tennis Team have practiced day after day.

With several returning veterans as well as the new team members, the boys have brought about a successful season. Everyone always came through with a good performance.

Despite the rain, the team had opportunities to play a number of teams from schools in the Southwest Washington District. A little later in the season came the District Playoffs and finally the State Tournament.

All in all, the tennis team came through with a fine season of which we at Weatherwax should all be very proud.

BOYS TENNIS TEAM—Bill Cady, Mr. Eklund, Verl Potts.

Matmen

ROW 1: Ron Jackson, Salick.
ROW 2: Rhoton, Randall, Kahler, Easter.
ROW 3: Kuhns, Welch, Potts, S. Godfrey, Wiscomb.

A new sport at Weatherwax this year was wrestling. A team was formed with each wrestler in a division governed by his weight. There are eleven weight divisions: 105 pounds, 114, 122, 129, 137, 140, 147, 156, 167, 177, and 193 pounds.

The wrestling coach this year is also new to Weatherwax. He is Dewey VanDinter and some might remember him as assistant football coach. He did an excellent job organizing and training a team that won seven out of its ten matches.

As this was Aberdeen's first year of wrestling, the team competed with the junior varsity squads of other schools that have had wrestling in years before.

Coach Van Dinter

Twelve wrestlers qualified for the Sub-District Match at Tumwater. Of these, four qualified for the District Match at Vancouver. Junior Russ Kuhns won the District Match in the 193 pound class and qualified for the State Match at Pullman. Kuhns placed fifth in the state at the State Meet.

With a majority of wrestlers being underclassmen this year, the wrestling team outlook looks very good for next year.

ROW 1: Rick Jackson, McGuire, Swantek, Wook, Heiny, Pruitt.
ROW 2: Schoonmaker, Boling, Walden, Penttila, Hutton.
ROW 3: Bugher, Girgich, Caldwell, Taft.
ROW 4: Skinner, Bensusson.

Good Luck
George
James Henry

George,
Lots of luck in high school and see you when you graduate in 72.
Have fun this summer and good luck in the future.
Beth Matthews

Your friend (I hope)
Robert Dave Eggen

George

may the best of luck smile on you in the years to come!
Wanda Hastert
"65"

George,
You're real funny. Actually that's about all I found out about you in Later. Good Luck to a guy who's really neat!
Cathy Simmons

George
I'd like to wish
you the best of
luck in the future.
I consider you one of
the nicest guys I know,
and I think you deserve
it.
Andy Jukko

Hi ya George,
(you see, I'm not really sad
to see you go, I'm glad.
Well anyway I hope you
enjoy your self where
ever you will be.
Have a good
summer.
Friends always,
Dave

Hi George
Too bad you didn't
go to Cary when I did. But
that was long ago. Anyway,
we can forget about those for now.
Good Luck and Lots of Happiness
Love Gary Ann

Hi Gorgeous!
Good luck to the smartest
Geometry student in the world.
Otherwise you're great.
Cheryl Tibbs

It been a blast sitting by you
in biology, I wonder how many bruises
you and I have. I know I am smarter
than you so what do you think of
that? I guess there must be a certain
amount of pests in everything. Hope to see you
next year.

George
You are good little twinks
Broken bottles
Broken glass
George you can kiss my —?
Good luck to a good guy
from a better one.
Ron Jackson

Hi George
Lots
of luck.

George
Have fun with the
girls you —
a good summer and
I will see you next
year & hope. Have
a good trip — Like
it Bow.
Ol Somerville

George: No I won't
write anything dirty
to tell say good
luck, good hunting,
good fishing, good every
thing. Never remember
Be lucky, keep
the lobe a rollen
and keep a smiling.
It was sure nice
knowing you see
you next year

Hi George.
Well, we made
it thru another year.
Good luck always and
have a good summer.
Marcia
Lauenstein

Hi George
It was real neat
getting to know you this
year in Geometry and I will
be looking forward to seeing you
next year. I hope you will be in some
of my classes next year.
Good luck to a good kid
Bob Butler

Hi George
It was a lot of fun getting
to know you this year. I hope
I get to know you better next
year. Best of luck
Jane Trafford

Hi ya George
It's been fun
having you in
my Biology and
Lit. class. Stay
as nice as you
are, and good
luck in the
future. Have
fun this
summer.
Linda

Hi George!
Well, I guess
we made it through
Geometry without failing!
Best of luck always.
Have fun this summer.
